

HEALTH AND SAFETY POLICY

At ARUSHA BUILDING, CONTRACTING AND AIR CONDITIONING WORKS, we place the utmost importance on providing a safe work environment for our employees and others who may be affected by our work. It is our responsibility to achieve and maintain a safe and healthy working environment that promotes occupational health.

ARUSHA has developed a Health & Safety Program to promote workplace safety and control unsafe working conditions. The Health & Safety Program promotes specific health and safety training for all employees, and is designed to monitor the workplace for compliance with legislative requirements and attain best operating practices at all times.

ARUSHA BUILDING, CONTRACTING AND AIR CONDITIONING WORKS:

- a) believes that it is responsible to incorporate proven health and safety principles into all phases of our operations and emphasize these as integral components of prudent business practice
- b) understands that the responsibilities for workplace health and safety must extend to all workplace parties (senior management, front line management and workers) on or off the job
- c) recognizes that accident prevention and quality of working life must continue to be an essential part of our business operations and as such, will empower each individual to actively participate in their Health & Safety Program
- d) accepts the concept that the causes of accidents and illnesses can be controlled and the occurrence of personal injuries can be further reduced and is therefore committed to the prevention of occupational illness and injury in the workplace
- e) while complying with UAE's Occupational Health and Safety Act and Environmental Protection Act and all applicable Regulations, accepts these statutes as minimum standards
- f) recognizes that it is the responsibility of all workers to work in accordance with the practices and procedures set forth in the Health and Safety Program, in addition to the applicable legislative requirements.
- g) recognizes that it is the responsibility of all workers to report all hazards and unsafe acts/conditions.
- h) recognizes the responsibility of all supervisors to ensure that safe and healthy work conditions are maintained in our workplace.
- i) the success of our organization depends on our reputation to provide a quality products and services in a safe and timely manner. Health and safety has been incorporated into all facets of our operations.

Through open lines of communication, objective discussions and cooperation between workers, supervisors, management, stakeholders, and other interested parties, our objectives of a workplace free of hazards, injury and illness can and will be achieved.
